How do you roll?SM

Finally, Austin can get fast, high-quality sushi rolls without the pretentious atmosphere. Maki was born from the vision that if you crave fast, fresh, custom ordered sushi rolls you should get it. We know that great sushi rolls come from fresh ingredients, no more refrigerated sushi rolls for you!

We use the freshest ingredients as you order it and provide an assortment of choices like grilled beef or chicken, that is appealing even to the non sushi eaters. You can choose your meat, veggies, sauces and toppings, making your sushi roll truly as unique as you are.

At Maki, it is all about you and how you roll.
